

Часови пројектне наставе

Ученици II₄ су на часовима пројектне наставе у фебруару и марту 2021. године израдили паное на теме „Кад порастем, бићу“ и „Чаролије враголије“.

ЧАРОЛИЈЕ И ВРАГОЛИЈЕ

The poster features a central illustration of a white-robed wizard with a long white beard, holding a staff and a wand. Radiating from him are several colorful lines in shades of purple, green, blue, yellow, and red, some ending in small black stars. The background is bright yellow and decorated with several colorful butterflies. In the top right corner, there is a large pink star containing handwritten text in Cyrillic. Four photographs are placed around the central figure, each with a handwritten caption in Cyrillic:

- Top-left: A photo of a dark, starry night sky. Caption: "Чарена каролина у звездицама дај са м!".
- Bottom-left: A photo of a person on a stage with a blue and white checkered floor. Caption: "Пара диј, тата са тата са оп мата ј!".
- Bottom-center: A photo of a person in a blue shirt on a stage. Caption: "Чареник са мата ј, да ј да мата!".
- Bottom-right: A photo of a person sitting at a table in a room with a white lattice wall. Caption: "Чарена са са са са да ј да ј мата мата".

The illustration is set against a light blue background with faint clouds. On the right side, there is a large, detailed tree with a thick brown trunk and green foliage. Two small birds are perched on a branch. In the center and left, there are several musical notes (treble clef, eighth notes, and a quarter note) and butterflies. At the bottom, two children are depicted: one on the left in a red shirt and green pants holding a black stick, and one on the right in a blue shirt and green pants sitting on the ground. Two rectangular pieces of paper with printed text are pasted on the left side of the scene.
